## About Me

I am a North Wales based Artist and I paint in mixed media, very colourful paintings of animals and plants. I am keen to explore the wildlife that is local to me and I am also very interested in mother and baby relationships. I like to find the special moments that resonate with my own experience of motherhood.

## The Clwydian Creatives Art Trail

This awesome trail exists to expose the work of this region's artists to the public. Visit different studios to see artist's work and working process. For further details scan the qr code below:
